

### **SOL Engineering Services, LLC Becomes MDA Certified**

Jackson, MS--- SOL has been certified by the Mississippi Development Authority (MDA) in the specialty area of Engineering Services. The local firm received this certification on August 10, 2006 and is valid for three more years. The MDA assists minority and small businesses with participating in procurement activities throughout the state. This certification is another factor that affords SOL the opportunity to become one of the leading engineering and project management firms not only in Mississippi, but in the entire southeastern United States.
